

# BEHAVIOR CONTRACT

I have read and understand the Grading Policy for Orchestra.

I understand that behavior in orchestra class and events must be in accordance with all Northside Independent School District rules and policies as stated in the Student-Parent Handbook signed at the beginning of the year. Any deviant behavior including but not limited to what is stated in Section C of the Student-Parent Handbook, could result in immediate dismissal from trip activities, change in orchestra chair placement, and permanent dismissal from orchestra activities and/or orchestra class. Examples of deviant behavior include but are not limited to illegal use of drugs, alcohol, tobacco, any controlled substance, vandalism, profanity, possession of weapons of any sort, fighting, truancy, disrespect of teachers or fellow students, and lack of participation at orchestra events. I understand that orchestra is a privilege and I am representing my organization, school, and school district. I promise to behave accordingly.

## NISD Instruments Loan Agreement:

When I am issued a school owned instrument I understand that there is a \$30 per year usage fee for NISD instruments, and this fee must be paid before I can take the instrument home. I understand that this instrument is on loan from NISD and I will be held financially responsible for any damages beyond normal wear and tear (to be determined by the director and appraised by a repair professional).
